

JamiesonPlace

December 1, 2009

Attention: All Tenants, BP Centre

RE: Jamieson Place Fitness Centre

Effective January 4, 2010, the Jamieson Place Fitness Centre will be open. Jamieson Place is a new 38 storey office tower located directly across the +15 from BP Centre and will be home to a brand new corporate fitness centre containing state-of-the-art exercise equipment, including Atlantis Selectorized strength machines, Startrac cardio equipment and a variety of free weights and fitness accessories. Selected programming will also be available including personal training and group training.

We are excited to extend an invitation for memberships, of the fitness facility, to tenants of BP Centre. At this time, we are able to offer a designated number of memberships exclusively for BP Centre tenants. Dues will be set at \$35/month + GST and collected via monthly bank account debit (PAP). Memberships will be offered on a month-to-month basis and use of showers, lockers, and towel service are included in the dues.

We welcome you to become a part of downtown Calgary's newest fitness facility. Upon opening of the facility, registration will be available at the Jamieson Place Fitness Centre and will include a short mandatory orientation to the fitness centre. Further details will be available on the Jamieson Place website (www.jamiesonplace.com) as the opening date approaches and any additional questions may be directed to the Jamieson Place Fitness Centre at (403) 503-9106.

Sincerely,

Caitlyn Browning BHKin, CPT
Manager – Jamieson Place Fitness Centre
