

BP Centre

Special Edition Christmas 2009

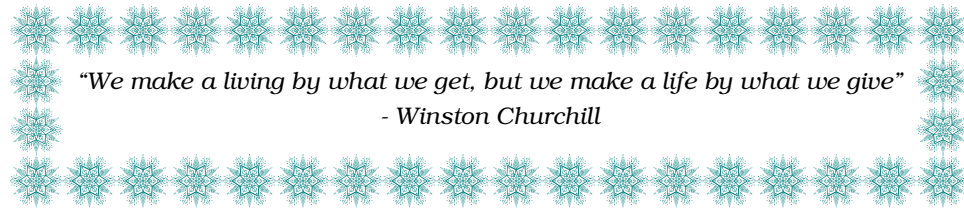

A Year In Review

2009 has certainly has been an extremely productive year for us at BP Centre. A complete renovation of both the main floor ladies and men's Shower facilities was completed at the beginning of the year. The walls and flooring were re-tiled, new vanities and fixtures installed and a fresh coat of paint placed on the walls. Millwork is being installed in the change rooms in order to provide complimentary towel service as of January, 2010. We hope your are pleased with the final results.

Renovations to the +15 level of the building commenced in October and we anticipate the project to be completed by late spring of 2010. A storyboard has been placed on the wall adjacent to the SE +15 entrance way showing some of the wonderful plans for the +15 level. There will be larger window seating areas and some great new restaurants to look forward to. Some amenities to watch for are Thai Express, Good Earth and Jugo Juice to name a few. We can still enjoy the delicious coffee from Tim Horton's as they will continue to provide you with service in their new NW location of the floor.

A +15 system connecting us to Jameson Place recently opened enabling us to be connected with even more great amenities. Once the renovations to the +15 are completed this should become a very busy bridge linking us together. We are so looking forward to what 2010 has in store for all of us !!

Charity Fund/Donations

This year, with all of your generous support of the Pop Can recycling program in the building, we have been able to donate some funds to a local chapter of Scouts Canada. The money derived from this program helps to fund local boys and girls in their quest to travel and fellowship with Scouts overseas. They wish to convey their deep and sincere appreciation for your assistance to their program this year.

And.. Were not finished yet!

With your very generous help we have been able to donate funds to Connection Counseling

& Consulting Foundation in the amount of \$1,230. during our Stampede function in July and an additional \$1,750. during the "Pamper yourself Today" day in November. Massage tables were set up in the main lobby of Livingston Place and the turn out for the offer of a relaxing massage was well received.

And...There's more!!

We will be raffling two (2) Christmas Gift Baskets filled with delectable food items and other sundry products. Theses baskets can be found at the Security Desk for viewing and will be raffled off on Friday, December 18th. The winning tickets will be posted on the

building Website and emailed to all offices. For a chance to win one of these beautiful Gift Baskets, a donation must be made to the Inter Faith Food Bank by way of non-perishable food items. The items can be dropped off at the main floor Security desk and the Security personnel will provide you with a ticket to fill in for a chance to win one of these baskets. One entry per person please. As we are well aware, this building is full of many generous people.

Let's make this endeavor a great success !!!

Joyful Simplicities of December

Build a snowman with children, Go sledding with family and friends;
Enjoy a hot cup of cocoa under a cozy blanket, prepare for winters idyll;
Fulfill the holiday dreams of as many children as you can;
Share your blessings with a shelter for women or the homeless;
Give thanks for all that you have been blessed with.

"Look back on the aspirations you wanted to achieve this year. Don't be discouraged if you haven't achieved them, it's the reaching for them that's important. Make a new list and carry whatever is still meaningful to you over to the new list. Let the rest go and be at peace with your decisions."

At this time Bentall LP and the Owners of the Building would like to take the opportunity to thank you for your tenancy in the building and to wish you and your family joy, peace, happiness and all that is meaningful to you in the New Year.

"And now let us welcome the New Year. Full of things that have not been"
